

NIVÉL TABLE

DESCRIPTION

At the intersection of functional lighting and furniture, you find Nivél. Nivél Table is an adjustable height portable light companion. Perfect for indoor or outdoor use, Nivél provides a totem to gather around. Portable and rechargeable, Nivél enables users to bring light to areas not serviced by power outlets. Its cleverly designed light module rests securely fastened around a solid wood post fastened to a powder-coated steel base for added footing. A soft ambient downward facing light panel completes the package, bringing an unobtrusive light source to your home or office space.
